TARIFF FORMAT

Page Numbering Page numbers appear in the upper right hand corner of the page. Pages are numbered sequentially. From time to time new pages may be added to the tariff. When a new page is added between existing pages a decimal is added to the preceding page number. For example, a new page added between Pages 3 and 4 would be number 3.1.

Explanation of Symbols When changes are made in any tariff sheet, a revised sheet will be issued canceling the tariff sheet affected. Changes will be identified on the revised pages(s) through the use of the following symbols.

(C)	To signify changed regulation.
(D)	To signify discontinued rate or regulation.
(I)	To signify increase.
(M)	To signify matter relocated without change.
(N)	To signify new rate or regulation.
(R)	To signify reduction.
(S)	To signify reissued matter.
(T)	To signify a change in text, but no change in rate or regulation.
(Z)	To signify a correction.

2.0 Rules and Regulations

2.1 Undertaking of Capital International Communications, LLC

Capital International's services and facilities are furnished for a two point telecommunications service. The Company's headquarters are in St. Louis, Missouri.

2.2 Limitations

(A)	Service is offered subject to the availability of the necessary facilities or equipment, or both facilities and equipment, and subject to the provisions of this tariff.
(B)	The Company reserves the right to discontinue service when necessitated by conditions beyond its control, or when the Subscriber or Customer or Billed Party is using the service in violation of provisions of this tariff, or in violation of the law.
(C)	The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connection.

2.0 Rules and Regulations, cont.

2.3 Use

Services provided under this tariff may be used by the Customer for any lawful telecommunications purpose for which the service is technically suited.

2.4 Liability

(A)

The Company shall not be liable for claim or loss, expense or damage (including indirect, special or consequential damage), for any interruption, delay, error, omission, or defect in any service, facility or transmission provided under this tariff, if caused by any person or entity other than the Company, by any malfunction of any service or facility provided by any other carrier, by an act of God, fire, war, civil disturbance, or act of government, or by any other cause beyond the Company's direct control.

(B)	The Company shall not be liable for, and shall be fully indemnified and held harmless by the Customer and Billed Party against any claim or loss, expense, or damage (including indirect, special or consequential damage) for defamation, libel, slander, invasion, infringement of copy-right or patent, unauthorized use of any trademark, tradename, or service mark, unfair competition, interference with or misappropriation or violation of any contract, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data, information, or other content revealed to, transmitted, or used by the Company under this tariff; or for any act or omission of the Customer and Billed Party; or for any personal injury or death of any person caused directly or indirectly by the installation, maintenance, location, condition, operation, failure, presence, use or removal of equipment or wiring provided by the Company, if not directly caused by negligence of the Company.

2.0 Rules and Regulations, cont.

2.4 Liability, cont.

(C)	No agent or employee of any other carrier shall be deemed to be an agent or employee of the Company.
(D)	The Company shall not be liable for any defacement of or damages to the

	premises of a Subscriber resulting from the furnishing of service which is not the direct result of the Company's negligence.
(E)	The Company's liability, if any, for its willful misconduct is not limited by this tariff. With respect to any other claim or suit, by a Customer or by any others, for damages associated with the installation, provision, termination, maintenance, repair or restoration of interstate long distance service, the Company's liability, if any, shall not exceed an amount equal to the initial period charge provided for under this tariff for the call for the period during which the call was affected.

2.5 Terminal Equipment

The Company's facilities and service may be used with or terminated in Subscriber-provided terminal equipment or Customer-provided communications systems, such as a PBX, key systems or Pay Telephone. Such terminal equipment shall be furnished and maintained at the expense of the Subscriber, except as otherwise provided. The Subscriber is responsible for all costs at his or her premises, including personnel, wiring, electrical power, and the like, incurred in the use of the Company's service. When such terminal equipment is used, the equipment shall comply with the generally accepted minimum protective criteria standards of the telecommunications industry as endorsed by the Federal Communications Commission.

2.6 Payment for Service

(A)	The Customer or Billed Party is responsible for payment of all charges for service furnished to the Customer.
(B)	Notice of dispute must be received by Capital International in writing within 30 days after the billing invoice is issued, or the invoice shall be considered correct and binding upon the Customer or Billed Party.

2.7 Taxes

All applicable taxes, fees, charges, exactions, or the like which must be paid to any governmental authority; state, local, municipal, or otherwise, for the provision of telecommunications services and which, pursuant to the rules and regulations governing such applicable taxes, fees, charges, exactions or the like, may be charged directly to the Customer or Billed Party will be separately stated on Customer's or Billed Party's bill and collected from the Customer or Billed Party.

3.0 Description of Service

3.1 Product Description

- A. Capital International's Inmate Telecommunications Service is offered at confinement facilities located in the United States Mainland and Hawaii. Customers access Capital International's network via local exchange company-provided Feature Group D access. Calls are routed over the Company's transmission and switching facilities to international destinations.
- B. This service anticipates the provision of collect calling only, using automated operators. Rates are based on call duration. At the request of the confinement facilities, no credit card calling, access to live operators (including emergency assistance operators) or posting is offered. Call duration may be limited at the request of the confinement facility. Other restrictions may apply.
- C. Per-minute usage sensitive charges apply. Per-call operator surcharges also apply.

3.1.1 Collect Calling A service whereby caller places a station to station call which is billed collect with the assistance of an automated operator.

Issued: August 31, 2003

Effective: December 13, 2003

By: Dr. Don W. Cook, President
Capital International Communications, LLC
677 Dougherty Terrace Drive

3.0 Description of Service, cont.

3.2 Timing of Calls

3.2.1 Long distance usage charges are based on the actual usage of Capital International's network. The Company will determine that a call has been established through industry standard answer detection methods including, where available, by signal from the local telephone company.

3.2.2 Usage is measured and rounded to the next higher billing increment for billing purposes.

3.2.3 There is no billing applied for incomplete calls.

3.2.4 Unless otherwise specified, calls are billed in one minute increments, with a one minute minimum call duration.

Issued: August 31, 2003	Effective: December 13, 2003

4.0 Rates

4.1 Description of Rates

4.1.1 CAPITAL INTERNATIONAL COMMUNICATIONS, LLC, INTERNATIONAL SERVICE

A. International Usage Rates

Payphones

For certain outbound international calls placed with the assistance of an operator and which originate in the U.S., the customer may be restricted to making a station-to-station or person-to-person call, or charging the call to a Calling Card.

Federal Universal Service Fees (FUSF)

A Federal Universal Service Fee charge equal to 8.9 percent of service usage charges will be applied to all customers

Bills. The Federal Universal Service Fee will either be included as a component of the individual call charges on a customer's bill or it may be included as part of a separate line item on a customer's invoice.
